(CAP. 306)

## REGULATIONS

## (Made under section 165)

## THE ELECTRONIC AND POSTAL COMMUNICATIONS

(LICENSING)(AMENDMENT) REGULATIONS, 2022

Citation

GN. No. 57 of 2018

Amendment of regulation 2

1. These Regulations may be cited as the Electronic and Postal Communications (Licensing) (Amendment) Regulations, 2022 and shall be read as one with the Electronic and Postal Communications (Licensing) Regulations, 2018, hereinafter referred to as the "principal Regulations".
2. The principal Regulations are amended in regulation 2 by deleting paragraph 2(h).

Amendment of regulation 3
3. The principal Regulations are amended in regulation 3 by-
(a) adding in its appropriate alphabetical order the following definitions-
"Application Services (e-Commerce) Licence" means a class licence issued for service platforms, aggregation or integration of services, transactions or business for other service providers, sellers, buyers or consumers of regulated or un-regulated services;
"Class A Installation and Maintenance Licence" means a licence for installation and maintenance of commercial electronic communication infrastructure and equipment (PBX, fibre, cabling, transmitters by towers and related infrastructure);
"Class B Installation and Maintenance Licence" means a licence for installation and maintenance of end user electronic communication equipment and infrastructure (cell phones, transceiver equipment, and related small electronic
communication appliances);
"Landing Station" means a location for the Submarine Cable Terminating Equipment (SCTE) for domestic and or International interconnection;
"Special Content" means a television channel or radio station that provides specific formal educational content covering different subjects from nursery, tertiary to higher learning institutions;" and
(b) deleting the word "selling of electronic communication equipment licence".

Amendment of regulation 6
4. The principal Regulations are amended in regulation 6 by deleting subregulation (2) and substituting for it the following-
"(2)(a) A licensee shall, prior to change of physical address, submit to the Authority a notice of the change of physical address.
(b) Notwithstanding subregulation (2)(a), where a content service licensee changes physical address, the licensee shall not commence operations at the new address without being inspected by the Authority".

Amendment of regulation 10
5. The principal Regulations are amended in regulation 10, by-
(a) renumbering the repeated subregulation (6) as subregulation (7); and
(b) deleting the renumbered subregulation (7).

Amendment of regulation 23

Amendment of regulation 39
6. The principal Regulations are amended in regulation 23 by adding immediately after regulation (6) the following:
"(7) Where transfer of shares involves change of majority shareholders, the licensee shall pay to the Authority transfer fees as prescribed in the First Schedule and the transfer shall be processed in accordance with the procedure of issuing new licence".
7. The principal Regulations are amended in regulation 39 by deleting subregulation (6) and substituting for it the following:
"(6) A licensee whose licence is
considered for renewal shall pay to the Authority renewal fee as provided for in the First Schedule to these Regulations".

Amendment of regulation 40
8. The principal Regulations are amended in regulation 40 by-
(a) adding immediately after paragraph (j) the following paragraphs:
(k) Content Service by Subscription;
(l) Community Broadcasting Services;
(m) Application Service (e-Commerce); and
(b) re-naming paragraph $(\mathrm{k})$ as paragraph (n).

Amendment of regulation 43
9. The principal Regulations are amended by deleting regulation 43 and substituting for it the following:

| "Importation | 43.-(1) The importer or |
| :--- | :---: |
| or distribution | distributor of electronic communications |
| of electronic | equipment shall ensure that equipment- |
| communication | (a) are type approved by the |
| equipment | Authority; and |

(b) the customer who purchases any equipment which use radio frequency spectrum has radio frequency spectrum user licence issued by the Authority.
(2) Without prejudice to the generality of the provisions of these Regulations, any person may import any type of approved electronic communication equipment for personal use."

Amendment of First
Schedule
11. The principal Regulations are amended by deleting the First Schedule and substituting for it the following:
